### **RE: Nevada State Board of Dental Examiners v. David Chapman, D.D.S**

NOVEMBER 17, 2005 (LAS VEGAS, NEVADA): The Nevada State Board of Dental Examiners initiated a civil suit in the Eighth Judicial District Court of Nevada to enjoin the further operation of the dental practice, Technodent Dentist, which was being operated by the Estate of Dr. David Chapman. Judge Valerie Adair granted the order October 24, 2005 and as a result of this litigation, the Estate surrendered the license of Dr. Chapman ceasing operations.

All patients of record are advised that such action does not prohibit them from seeking further civil remedies against the practice. All patients of record are advised that the Board has custody of patient records of Dr. Chapman and will provide copies of those records to patients upon their request. Patients may call (702) 486-7044 to inquire whether or not their records are part of those obtained by the Board from the practice.
